

IBM PAPER ON 10th JULY 2006 AT LAKIREDDY BALIREDDY COLLEGE OF ENGG.

hai friends,

h r u..

this is LMK VARMA ,i am studying B.tech final year at MLEC,singarayakonda.i just selected to IBM

i would like to express my experience(interview) to u, i think it is useful to all who r having IBM as dream com.

pattm:

1.written test

>english(articals(2),prepositions(3),compression passage(5))

** those very easy, no need of preparation**

>apptitude(generally they give 10-20 bits but for my exam they given only 2)

***%'s,boats,averages,ages.....**

they give very easy problems we can calculate with in 1 min.

>reasoning

very very important

for my exam they given app. 30 above.generally 20 bits.

very very very easy

topics:

*directions

*blood relations

*ages

*ven diagrams

*cubes

*series

*general topics.....

>technical (c,unix,dbms)

*****time management very very important that place u in frist position

2.technical interview

***** what u put in u r resume that sub they mainly concentrate, plz concentrate on preparation of resume..dont copy and paste from others even from net also..plz try to spend more time to prepare resume *****

common subjects:

C (test u r c skills)

DBMS(any net material or korth or atleast spectrum)

CN (net material)

UNIX (net material or atleast hitech plz concentrate on commands)

DS (sorting programs*for cse , it is main* and all basic operations)

3.HR interview

*****confidence plays major role in any HR

common ques

*tell me about u

*family background

*resume topics

my question is

*tell me about folder not less than 2 min.

>dont stop upto he stop u

byeoooooooooooo friends

all the best
