My interview was about 30 mins. Here are some question that he asked me though I don't remember all the questions.

Tell me about yourself.

Why do you want to work in a software company?

What are you doing after completion of your college?

Do you have offer letter from any other company?

(I have an offer letter of CTS)

Then why are you here?

Why IBM?

What do you know about IBM?

Why should I select you?

Tell me a quality that makes you different from others.

What are your hobbies?

Some question on my hobbies

What was your GD topic?

Then he asked about my opinion about the topic.

Tell me about your family

Do you fight with your brother? :P

Are you willing to relocate?

HR: OK, have a nice day Sudipta.

Just after 15 mins they informed me that I am selected. I was extremely happy and called my parents to give the good news.

All the best for your campus drive.
